

Red Water Natural Skin Care

The Red Choices

Natural And Safe Formulas

We fully avoid the use of irritative preservatives and compounds, such as:

- Parabens
- Mineral oils (petroleum derivatives)
- Propylene glycol
- Silicones
- OGM (genetically mutated substances)
- Ethanolamines

We do not test on animals.

We only use natural ingredients and preservatives that are perfectly compatible with the skin's physiology:

- Natural herbs
- Organically cultivated olive oil
- Thermal spring water
- Allergen free fragrances
